### The Rusty Palette

I offer a private studio in the heart of downtown East Greenwich where you can gather with friends for drinking (BYOB of complimentary soft drinks, coffee, and tea) & painting! My small studio seats 10 of your closest friends where you can feel free to be yourself with no judgment. You pick the day, time and painting and you get all of this for only \$35.00 per person! All paint parties are from 6:30 to 9:00 pm.

Why choose me instead of the other guys? Because I won't turn your children away. I'm a children's author and illustrator and I love kids! I offer complimentary drinks and snacks. What are you waiting for? Come on... let's paint!
